

WHEN WE PARTNER WITH YOU, WE EMPOWER EVERYONE.

Integrative Therapy has been helping schools make the most of their OT services by supporting students, teachers, and schools in Minnesota for over 10 years. Our team of OT professionals work exceptionally well in school environments with integrity and a high degree of care in communication and collaboration.

THE IT DIFFERENCE

EXPERTISE

10+ years of experience and knowledge in school-based OT service delivery.

Licensed OT available for evaluations and OT services.

Experienced school-based OTs with strong knowledge of trauma informed education, sensory processing, and motor skills.

95% staff retention with IT providing a full suite of employee benefits, training, and supervision to OT staff.

Over 10 years of successfully serving high-performing PreK-12th grade charter schools exclusively in MN.

SUPPORT

Detailed understanding of assessments, paperwork and process.

Ongoing MDE compliance and paperwork training for all staff, including third party billing.

Response to intervention, 504 plan and general education support available.

Complimentary use of OT specialized equipment and assessment tools.

COLLABORATION

Therapist placement process, emphasis on communication and quality of care.

Intentional placement of OT staff with school client based on needs and culture.

Ongoing communication from local IT leadership with school client and special education team to ensure quality of care.

Customizable services to best suit the school client's changing needs and budget.

SERVICES

- School-based OT services
- General education support
- Trauma-informed education training

SCHOOL-BASED OT SERVICES

Offered as telehealth, in-person or hybrid

- Consultation
- Evaluations
- Direct and indirect services

SERVICE DELIVERY

We excel in service delivery because our community of therapists come together to share best practices, and all have extensive experience with children. We intentionally match therapists to the school's culture and maintain an intensive level of ongoing communications. Our therapists place well-being first and everyone benefits.

IMPACT

Embrace knowledge & create for the greater good

INTEGRITY

Make ethical decisions & respect others

COMMUNICATION

Share insights & openly collaborate

BALANCE

Explore passions & practice self-care
